Response

To the Office of the General Counsel of the Federal Elections Commission:

In reference to complaint MUR 6836. Although I am not named as a defendant in the complaint, I am responding to the allegations that were made.

Progressive Leaders for Democratic Action at UCLA (PLDA) is an authorized registered student group at UCLA and not a "front organization" for anyone. The origins of PLDA both predates and postdates the candidacy of Marianne Williamson who lost her campaign for congress on June 3, 2014. Marianne Williamson was one of 36 candidates that were endorsed by both the Americans for Democratic Action of Southern California which I am President of and the Progressive Leaders for Democratic Action at UCLA which I am Founding Director of.

The allegations made in this FEC Complaint are both frivolous and misleading.

Respectfully

Joe Cicero

President - Americans for Democratic Action - SoCal Chapter  
Founding Director - Progressive Leaders for Democratic Action at UCLA.
